### Question 1

Q1

I believe that Grassland Estates community:

Answered: 290 Skipped: 0

● Does not need a splash pad

● Neutral

● Would benefit from a splash pad

Choices	Response percent	Response count
Does not need a splash pad	64.48%	187
Neutral	12.41%	36
Would benefit from a splash pad	23.10%	67
Any additional comments?		46

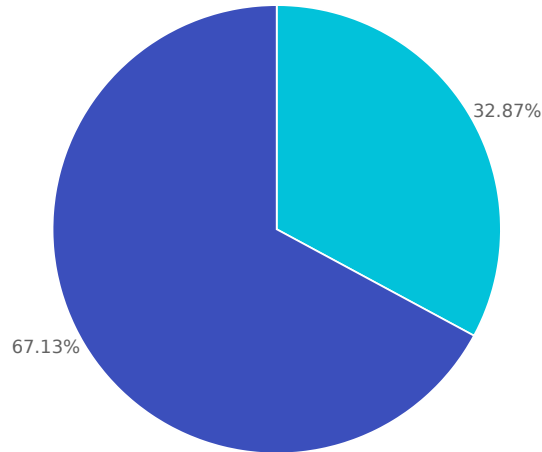

---

### Question 2

Q2

I believe that Grassland Estates should:

Answered: 290 Skipped: 0

● Continue with the splashpad project as planned and spend the additional \$220,000 approx. to install the splash pad structure in the pool facilities area

● Not continue with the splash pad project, and cut losses on the \$150,000 equipment already purchased to forego operational costs. (With no leads on selling, it is likely that the HOA will not recover money already spent. Storage costs are ongoing)

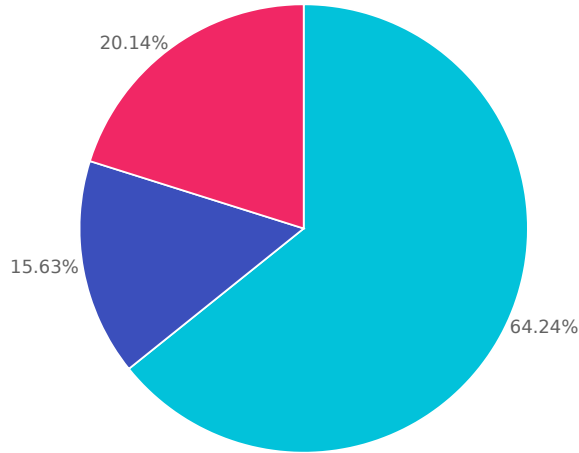

Choices	Response percent	Response count
Continue with the splashpad project as planned and spend the additional \$220,000 approx. to install the splash pad structure in the pool facilities area	32.87%	95
Not continue with the splash pad project, and cut losses on the \$150,000 equipment already purchased to forego operational costs. (With no leads on selling, it is likely that the HOA will not recover money already spent. Storage costs are ongoing)	67.13%	194
Any additional comments?		53

### Question 3

Q3

Some estimates suggest the splashpad may be an additional cost to the HOA of \$500+/month during pool season (May to Sept).

Answered: 289 Skipped: 1

● I do not think this is an acceptable amount to pay every month

● Neutral

● I think this is an acceptable amount to pay every month

Choices	Response percent	Response count
I do not think this is an acceptable amount to pay every month	64.24%	185
Neutral	15.63%	45
I think this is an acceptable amount to pay every month	20.14%	58
Any additional comments?		50
